

applications

The diagram consists of a large light blue rectangle with a dashed border. Inside this rectangle, at the top, is the text 'applications'. Below this text is a smaller, solid light blue rectangle with a thick black border. Inside this inner rectangle, there are three elements: the text 'azure_board_apps' on the left, and two smaller blue boxes with black borders on the right. The first of these boxes is labeled 'apps' and the second is labeled 'graphics'.
